Inspirational Leadership  
in a Business Setting

9th and 10th December, Lahore

# Course Overview

DLC Worldwide's Inspirational Leadership course has been designed to help delegates increase the effectiveness of their leadership in the workplace. The course introduces the concept of inspirational leadership, and looks at how inspirational leaders can change organisations.

The course looks at how inspirational leaders operate and are perceived within organisations, and how and why people respond to different styles of leadership including charismatic and transformational leadership. The course also looks at different techniques and methods which inspirational leaders can use to lead teams and manage change within an organisation.

## Topics Covered:

- What is meant by inspirational leadership
- Charismatic leadership
- Transformational leadership
- Inspirational leadership within organisations
- How and why people respond to inspirational leaders
- Inspirational leaders and organisational change
- Inspirational team leadership

## Benefits of completing the course

Completing the course gives delegates an understanding of the characteristics of an inspirational leader, the differences between managing processes and inspirational leadership, the key skills associated with inspirational leadership and its importance. This allows delegates to gain the knowledge and understanding required to develop themselves as inspirational leaders.

## Who should attend?

The Inspirational Leadership course is designed for individuals working in business from team leader/supervisor level through to senior management/director level. The aim of the course is to provide delegates who aspire to be inspirational leaders with the knowledge and understanding of the key aspects and skills associated with inspirational leadership.

## Accreditation/Qualification

DLC Worldwide's Inspirational Leadership course is accredited by the UK awarding body Open College Network (OCN).

All those who successfully complete the course will receive a Level 3 OCN certificate in Inspirational Leadership in a Business Setting.

## Our Inspirational Leadership in a Business Setting Trainer: **Saadi Insha**

A leading trainer, facilitator and inspirational speaker, Saadi is passionate about helping organizations unleash the untapped potential of their most valuable resource – their people.

Workshop participants across industries have described his programs as 'superb', 'inspirational', 'thought provoking' and 'outstanding'. He packs his trainings with rich, result oriented content, engaging activities, topical humour and is known for communicating with a zest and energy that is highly contagious.

Since 2001, Saadi has trained thousands of employees from leading national and multinational organizations through his acclaimed public and in-house workshops. He has facilitated leadership and creativity workshops in Dubai, led high energy annual conference events in Thailand and addressed various universities and professional forums as a Guest Speaker.

Saadi holds an MBA and a Gold Medal from the Institute of Business Administration – Pakistan's premier business school. A lifelong learner, he has attended numerous personal and professional development programs in Pakistan and abroad.

After a fourteen year career spanning three different industries, Saadi left his last job as Training Manager at MCB Bank to work as an independent training consultant. He now facilitates open enrolment workshops and conducts in-house training for organizations that wish to inspire, energize and empower their teams to reach new heights of achievement.
